What is the Confederation of Clubs?

The Confederation Of Clubs (COC), were started by The Motorcycle Clubs and The Law Office of Richard M. Lester over 35 years ago. The objectives of the COC are as follows:

1. To promote peaceful communication between motorcycle clubs in the United States.
2. To protect the Constitutional Rights of Clubs and its members from Governmental intrusion. Including but not limited to:
 - Freedom of Speech
 - Freedom of Association
 - Freedom to Travel
 - Freedom from unlimited Search & Seizure
3. To work with other Rights Motorcycle Groups to get Biker-Friendly Legislature passed on a State and Federal level including:
 - A. Anti-profiling Bills – prohibit stops because of who you are
 - B. Equal access to establishments
 - C. Right to display organization insignia (patch)
 - D. Bills protecting against ethanol in gasoline & driverless vehicles
4. To educate the public on their Motorcycle Rights, Government intrusion and Law Enforcement overstepping.
5. Improve the image of Motorcycle Clubs, its members and Bikers in general – NOT the bad guy label the Government and Media puts to the public. We are not Gangs, Domestic Terrorists or Criminals. Just people that like to ride motorcycles together.
